

Report XII

Volume 2009

December 14, 2009

## CONC® MARKETING

The Nicaragua project is moving forward in good order the company will release a full report in February.

For more on this and other material events, please see our next scheduled report on February 10, 2010.

We have developed a new [ConectiSys.com](http://ConectiSys.com) website for our future development. The company's website has a robust look and feel featuring our existing product line; updated meter data displays new product concepts and development. This new user friendly website includes commercial ecommerce and customer service features

See our updated meter data displays at [ConectiSys.com](http://ConectiSys.com) to see the new changes with product information and company info.

The evolution of our website represents the evolution of the company. ConectiSys the product developer is now evolved into ConectiSys marketing, sales, and customer services, targeting its current and future customer needs.

**Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995:** The statements contained herein and in the Monthly Report that are not historical are forward-looking statements that are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in the forward-looking statements including, but not limited to: the level of cost-effectiveness and efficiency of the Company's H-Net™ automatic meter reading products or technologies; changes in the Company's policies regarding communications with shareholders and the general public; the success or failure of the Company's marketing efforts and the particular efforts to be employed; the Company's ability or inability to commercialize, sell, license or further develop its H-Net™ automatic meter reading products or technologies; and other risks detailed from time to time in the Company's periodic reports and other filings with the Securities and Exchange Commission.
